

## **Membership benefits 2007-2008**

### **Monthly Professional Development Meetings**

Members are able to attend all monthly Professional Development Meetings, held the second Wednesday of each month at 7:45 am to Portland General Electric. These monthly gatherings provide for networking and professional development. Speakers, from within CVC and from the corporate community, speak to a variety of topics relevant to companies of all sizes. In the fall, we offer a Nonprofit Volunteer Showcase to help companies find out about great volunteer opportunities in the community.

### **Summer Social & Networking Event**

Here's a great opportunity to meet others in the community who are also working to involve employee volunteers. The Summer Social includes both CVC members, prospective members, and others who share an interest in corporate volunteering. Held after work by a CVC host member.

### **Holiday Social & Networking Event**

Similar to the Summer Social, the Holiday Social also includes awards, recognition and acknowledgement and serves as the annual gathering of CVC members and friends. Held after work hours.

### **Membership directory**

Our membership directory not only tells you who else is a member, but informs you about their company's employee volunteering efforts. The purpose is to facilitate networking between members. Directory is only available to members.

### **Member website**

All your CVC information in one place, plus articles, studies and research from leading volunteer thought leaders such as the Points of Light Foundation.

### **About Membership:**

CVC memberships are \$150 annually. Memberships are on a rolling basis. For example, members who join on Nov. 1 2007 will have membership benefits through Oct. 31, 2008.
